Subject: PAGeNet Service Advisory

Component/s: PAGeNet Products and Services

Details:

***** SERVICE ADVISORY *****

Please be informed that PAGeNet's products and services are partially unavailable since 10:20AM (PhST) today, May 14, 2024, due to an ongoing ISP connectivity issue.

Real-time correction and RINEX data from the following stations are affected:

Site ID	Location	Site ID	Location
PBAT	Batac City, Ilocos Norte	PMRV	Mariveles, Bataan
PBAY	Bayombong City, Nueva Vizcaya	PPPC	Puerto Princesa City, Palawan
PCDN	Candon City, Ilocos Sur	PSNR	San Narciso, Zambales
PCEB	Cebu City, Cebu	PSRF	San Rafael, Bulacan
PCOT	Cotabato City, Maguindanao	PSTC	Santa Cruz, Laguna
PDAV	Davao City	PSUR	Surigao City, Surigao del Norte
PDDN	Tagum City, Davao del Norte	PTAC	Tacloban City, Leyte
PDIP	Dipolog City, Zamboanga del Norte	PTGY	Tagaytay City, Cavite
PDUM	Dumaguete City, Negros Oriental	PTLC	Tarlac City, Tarlac
PMAS	Masbate City, Masbate	PURD	Urdaneta City, Pangasinan
PMOG	Mogpog, Marinduque	PZAM	Zamboanga City

Rest assured that the problem has already been reported to our ISP for immediate repair. We will be monitoring this event closely and provide another update once the issue has been resolved.

Thank you for understanding.
